Continued from 9/9/08 at request of petitioner. Counsel is still waiting for life insurance information. Nothing new filed.

THIS CASE IS SET FOR HEARING ON Petition for Guardianship, ESTATE only, by mother, minors now 18 and 14

THE FOLLOWING ISSUES AND/OR DEFICIENCIES IN THE PAPERS ARE NOTED-

- 1) As minor Erin Sullivan has now reached majority, Court no longer has jurisdiction to appoint guardian. Please submit amended Orders and Letters.
- 2) Father, PGPs, and MGM deceased.
- 3) Petitioner requests bond of \$200,000. Appears adequate. However, petitioner requests that the court release the sum of \$30,000 for the purpose of immediate/future care and maintenance of the minors and the balance be placed in either a structured annuity or in a blocked account. Petitioner raises concern that minor, Erin, will turn 18 in July 2007 and may use up the funds too quickly. **As to minor, Erin Sullivan, who has**

now turned 18 this issue is moot. Question if petitioner requests \$30,000 from minor, Kimberly Sullivan's estate? Need verified supplement.

- a) A parent has a duty to provide for minor children. File verified supplement explaining why petitioner needs \$30,000.00 from minors' estate immediately for the future care and maintenance of minor children. Petitioner declares that the Social Security benefits (\$660/month) awarded as a result of the father's death will cease when the minor Erin reaches majority.
 - i) As Erin still has one more year of high school petitioner seeks \$7,260.00 for continuing care of the minor. File Points and Authorities re ability to retain funds after minor reaches majority.
 - ii) Petitioner also requests \$20,000.00. However it is unclear what is meant on page 2 lines 8-9. Please File verified supplement to clarify.
 - iii) Question if the money now requested is in addition to the initial request of \$30,000. File verified supplement.
- b) If some of the funds are placed in a blocked account, this would reduce the required bond amount.
- c) Petitioner suggests placing funds in an annuity. For such a short period of time as minor Erin will reach majority in a few months, it appears this might not be a prudent investment if the minor was to liquidate funds when she turns 18. **As to minor, Erin Sullivan, who has now turned 18 this issue is moot.**
- d) Also, by placing funds in an annuity, petitioner wishes to essentially tie up minor's money to prevent minor from having easy access to the funds. However, the money belongs to the minor and thus the mother does not have the right to prevent minor's access to the funds after minor reaches majority. **As to minor, Erin Sullivan, who has now turned 18 this issue is moot.**

Need to clear notes 1 & 3.
